

# Fairy Tale Writing

## Discover the imaginative world through fairy tales

*Sydney Rudolf Steiner College would like to present a Fairy Tale Writing workshop based on the work of Mette Jakobsen. Mette has completed a PhD in Creative Writing and has many years of professional work experience.*

*Mette has recently come to Anthroposophy and has found that her study and work is very much in line with ideas put forward by Rudolf Steiner. We would like to welcome Mette Jakobsen to her first workshop with us.*

<b>Dates</b>	Wednesday evenings 13 October –1 December 2010
<b>Time</b>	7.00pm - 9.00pm
<b>Location</b>	307 Sussex St Sydney
<b>Cost</b>	\$350

This fun workshop aims to help you set free your imagination. We shall work with the symbolic nature of storytelling, through writing our own fairytales, learning through exercises, about the classic structure of storytelling used from the time of Aristotle's tragedies to the present day Hollywood blockbusters.

Explore the life of your own fairytale! Delightful, gruesome, whimsical or magical - connect with your inner storyteller.

A fun and nurturing environment to workshop writing skill with literary styles.
